

Adopt a Senior Facility!

Throw a Senior Holiday Party!

Silver Horizons seeks groups (offices, businesses, bridge groups, church groups, investment groups, book groups!) that would like to help bring holiday cheer in December to public low-income housing complexes for seniors and the disabled and to shut-ins in low-income care homes.

Here's how you can participate!

1. Read the information on the back of this flyer
2. Consider what size facility your group could manage
(Individual volunteers are welcome to participate as well!)
3. Call Lori at 242-1946 to arrange to adopt a facility

Let's bring joy to all at this special time of year!
